April 21, 2017

- **CONSOLIDATED MINERALS LIMITED (“CONSMIN” OR “THE COMPANY”) ANNOUNCES THAT CHINA TIAN YUAN MANGANESE LIMITED IS EXTENDING THE EXPIRATION DATE IN THE OFFER TO PURCHASE AND CONSENT SOLICITATION STATEMENT DATED APRIL 4, 2017 (THE “STATEMENT”) WITH RESPECT TO ITS SENIOR SECURED NOTES DUE 2020 (THE “NOTES”)**

The Statement invites holders of the Notes (the “**Noteholders**”) to tender their Notes and concurrently solicits the consent of the Noteholders to certain proposed amendments to the terms of the Notes as more fully set out in the Statement.

Capitalized terms used in this announcement and not otherwise defined herein have the meanings ascribed to them in the Statement.

As the Ghana Consent Condition has not yet been satisfied as at the date of this announcement, the Offeror has given notice that the Expiration Date is extended to 11:59pm (EST) on May 31, 2017.

As detailed in the Statement and accompanying announcements, in relation to the Ghana Consent Condition, notice of the proposed Acquisition has been submitted to the Minerals Commission of the Republic of Ghana (“**MinCom**”), certain documentation has been provided to MinCom, and the necessary consideration fees have been paid.

On April 19, 2017, the MinCom requested further information in connection with the Ghana Consent Condition. The Company and the Offeror are working to provide this information, and secure satisfaction of the Ghana Consent Condition, as quickly as possible.

As per the Statement, if, following any extension of the Expiration Date, the Ghana Consent Condition is satisfied or waived, the Offeror may, by not less than 5 New York Business Days’ written notice to Noteholders, change the Expiration Date to an earlier date. If and when the Ghana Consent Condition is satisfied, the Offeror intends to promptly give such notice and change the Expiration Date to an earlier date.

Noteholders are advised to read carefully the Statement for full details of, and information on the procedures for participating in, the Offer.

Important Notice

These materials may contain forward-looking statements regarding future events or the future financial performance of Consolidated Minerals Limited (the "**Company**"). You can identify forward looking statements by terms such as "expect", "believe", "estimate", "anticipate", "intend", "will", "could", "may", or "might", the negative of such terms or other similar expressions. These forward-looking statements include matters that are not historical facts and statements regarding the Company's intentions, beliefs or current expectations concerning, among other things, the Company's results of operations, financial condition, liquidity, prospects, growth, strategies, and the industry in which the Company operates. By their nature, forward-looking statements involve risks and uncertainties, because they relate to events and depend on circumstances that may or may not occur in the future. The Company cautions you that forward-looking statements are not guarantees of future performance and that the Company's actual results of operations, financial condition, liquidity, prospects, growth, strategies and the development of the industry in which the Company operates may differ materially from those described in or suggested by the forward-looking statements contained in these materials. In addition, even if the Company's results of operations, financial condition, liquidity, prospects, growth, strategies and the development of the industry in which the Company operates are consistent with the forward-looking statements contained in these materials, those results or developments may not be indicative of results or developments in future periods. The Company does not intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. Many factors could cause the actual results to differ materially from those contained in forward-looking statements of the Company, including, among others, general economic conditions, the competitive environment, as well as many other risks specifically related to the Company and its operations, including those discussed in these materials.
